## SOME GOOD ADVICE

Strengthened by Middlebury Experiences

Kidney disease is too dangerous to neglect. At the first sign of backache, headache, dizziness or urinary disorders, you should give the weakened kidneys prompt attention. Eat little meat, take things easier and use a reliable kidney tonic. There's no other kidney medicine so well recommended as Doan's Kidney Pills. Middlebury people rely on them. Here's one of the many statements from Middlebury people.

Mrs. Chas. Remels, 43 Washington St., says: "A year ago my back became very painful and my kidneys were irregular. My back was sore and my kidneys were very weak. I suffered from headaches and dizzy spells at times, too. I read about Doan's Kidney Pills and a friend also advised me to use them. After taking two boxes of this kidney remedy I was cured of the attack. Now I always keep Doan's on hand and highly recommend them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Remels had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. —Adv.
